

The **Know Snow Program** is a fun, high-energy presentation geared toward middle school and high school groups encouraging kids to get off the couch and be active! The program provides a variety of tips on how to keep safe and warm while enjoying the many cold-weather activities from the importance of dressing properly to the benefits of helmet use and taking skiing/boarding lessons.

The **Seven Springs Know Snow** crew is available Monday through Friday, November 1 through December 16, 2011, to present the program either at your school or here at the resort. Each presentation is tailor-made to fit your schedule. For more information or to schedule the **Know Snow Program**, please contact Carrie Dix at (800) 452-2223, ext. 7586 or cdix@7springs.com.
