

Need Some Help With Your Call-Off Notice?
Got March Madness? Seven Springs is here to help you!

If you're in serious need of a day off, Seven Springs has just what you need – a great event and a call-off letter for your boss. Just be sure to remove the items in red!

Dear Boss,

I am not feeling well enough to go into work today. In fact, my doctor thinks it could be something serious (**serious need to unwind with my family and friends at the Foggy Goggle Hoopla at Seven Springs**) and contagious, and wants to run some tests. (**I need to test drive a UTV**) What tests, I'm not sure, but I'm sure they are serious. I'm sorry I won't be able to finish those reports I was working on, but I will get to them as soon as I am feeling better. (**Don't hold your breath.**) If I could, I would attempt to do some work here at home today (**in your dreams**), but since I get dizzy just from sitting up, I think it's better I rest up so I can recover quickly (**I'm actually going to hit the slopes, watch the games at the Foggy Goggle and enjoy dinner at Helen's**) and get right back to work next week. I will update you on my condition as soon as I know more. (**or as soon as I get back from Seven Springs.**)

Sincerely,

YOUR NAME HERE
